

We're updating you on our planned overnight closures to several of the all lane running motorways we're adding new emergency areas to.

Please do consider these closures when planning your journey.

Our overnight closures usually start from 9pm and finish by 5.30am Monday to Thursday and 11pm to 6am Friday but this can change depending on the volume of traffic and when we can close the road safely.

We are always looking to improve our customer's experiences and journeys through our roadworks, so please do complete this short [survey](#).

Our diversion routes are designed to suit all vehicle types.

We advise you not to use a Satnav when following any of our diversions because there is a risk it could direct you down an unsuitable road or back onto our network when it is closed.

Please remember on Friday 10 May to Monday 13 May – the M25 will be closed for a weekend.

From 9pm Friday 10 May to 6am Monday 13 May, there will be a full closure of the M25 in both directions between junction 9 (Leatherhead) and junction 10 (Wisley). For the most up to date information please visit: www.nationalhighways.co.uk/m25j10.

You can follow National Highways [@highwaysseast](#) and <https://www.facebook.com/HighwaysSEast>. Please do re-share posts on your channels and with your audiences to help increase awareness about the project.

Please note lane closure information is not usually provided on our project website or closure bulletins.

In the event of poor weather conditions or other issues out of our control, planned work may be postponed at short notice.

Thank you
